10 An additional establishment consisting of three hands viz., one Superintendent on Rs.100/-, one Accountant on Rs.77/- and a clerk on Rs.55/- was sanctioned in January 1924 against four hands asked for by the Comptroller ~~xxxxxxxxxxxx~~ and it was considered not necessary to increase the number of hands as drawings and disbursements at the time were not heavy. The grant sanctioned for relief operations was Rs.2,61,444/- and the additional

additional allotment for loans was Rs.1,90,000/-. The grant and allotment have since been raised by ¾ths of a lakh and 2 lakhs respectively and the Comptroller therefore asks for one more hand on Rs.87/-.

11 Besides attending to the increase of work consequent on the increased grants and allotments, the services of the hand on Rs.87/- now applied for will be utilized for arranging the local audit of accounts etc, maintained in the several Taluk and District Head Quarters.

12 As explained in the Comptroller's letter, assuming the distress relief operations would continue for about 3 or 4 months, the accounts would be finally closed by about December 1924. In regard to the Loans, these are sanctioned in very small amounts and are repayable in 2 to 4 years for which period the loan accounts have to be kept open. The Comptroller, therefore, considers it necessary to retain the Superintendent and the additional accountant on Rs.87/- (now asked for) till December 1924 and the two loan accountants on Rs.77/- and Rs.55/- at least up to June 1925.

13 His proposals may be sanctioned.

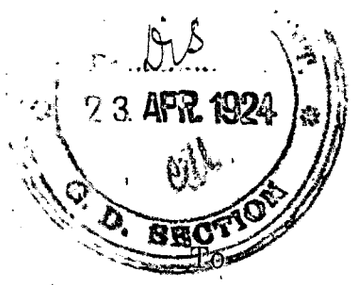
No. 1276 Es

OFFICE OF THE COMPTROLLER TO THE GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE.

Dated, Bangalore, the 22nd April *1924*.

FROM



T. SATYARAJ CHETTY ESQ., B.A.,
Comptroller to the Government of
His Highness the Maharaja of Mysore

To

K. V. Anantharaman, Esq., B.A.,
Secretary to the Govt. of Mysore,
Revenue Department, Bangalore.

SIR,

Adverting to correspondence ending with Government Order No. 442/Dis.1-23-5 dated 30th January 1924 regarding the entertainment in this office of certain temporary establishment, for a period of four months in the first instance, in connection with the accounts etc., of the Distress Relief Operations, I have the honor to state that sanction of Government was not accorded for the entertainment of an Accountant on Rs87/- on the score that drawings and disbursements were not heavy at the time. As these have increased since then, the necessity for the services of an additional hand is very badly felt. Sanction of Government is therefore, solicited for the entertainment of the 4th hand on Rs87/- per mensem.

2. As regards the period up to which this temporary establishment is to be retained, I have already explained in my letter No. Es.783 dated 4th January 1924 that large number of loans of such small sums as Rs10/- and Rs15/- have been sanctioned and that the number of loan accounts to be maintained in this office would increase by thousands. Their recovery in 1, 2, 3 or 4 years would necessitate the personal accounts pertaining to these loans being kept open for a number of years and consequently, the period of services of two hands

hands one on Rs77/- and the other on Rs55/- that are told off for loans work have got to be extended, so far as can be foreseen at present, to end of June 1925.

3. With regard to the other two hands -one on Rs100/- already sanctioned and the other on Rs87/- for whose entertainment sanction is solicited in para 1 supra- their services may be extended up to end of December 1924, by which time, I hope to be able to get the accounts from all the departments, audit them and close them finally, as it is presumed that the distress relief operations would be closed in about three or four months time.

I have the honor to be,
Sir,
Your most obedient servant,

Comptroller.
